

Job Description Chartered Building Surveyor & Project Manager

Position Title: Chartered Building Surveyor & Project Manager

Company: Founded in 2006, Dennany Reidy Associates are a firm of Consulting Civil & Structural Engineers with offices in Limerick & Dublin. We provide Consulting Engineering & Project Management services to both private & public sector clients with an emphasis on economical design, sustainability and a client focused approach. Our projects portfolio includes residential, commercial, educational and infrastructural & civil engineering works. We also have particular expertise and experience in project management, conservation engineering projects and construction law & contracts. Please see our website for more details: www.dennanyreidy.ie

Position Location: Dublin (Drumcondra)

Reporting to: Company Director

Job Specification:

Dennany Reidy Associates are seeking a Chartered Building Surveyor to work on a variety of project types from our new office in Dublin. This is an opportunity for an ambitious individual to take on a challenging & varied role within a growing firm of consulting engineers. The successful candidate will be working on engineering & surveying projects under the mentorship of a company director.

The role will involve the following:

- Project Management of varying engineering projects across a number of sectors including energy, utilities & infrastructure, civil engineering & construction.
- Building Condition Surveys & reporting.
- Preparation of civil & structural engineering drawings using Autocad.
- Assisting Company Director with administration & project management of projects.
- Construction inspections and preparation of associated reports.
- Effective communication with clients, design team members and office staff.

The Successful Candidate - Requirements:

The successful candidate must meet the following requirements in terms of skills and attributes:

- An honours degree in civil engineering or surveying.
- Minimum of 4 years post graduate experience in the field of surveying & engineering.
- Be a member of Engineers Ireland (IEI), the Society of Chartered Surveyors of Ireland (SCSI) or the Royal Institute of Chartered Surveyors (RICS).
- Knowledge of construction contracts and contract administration.
- Proficiency in Autocad drafting software.
- Excellent communication and organisational skills.
- Professional approach to work with high integrity and confidentiality.
- Must be self-motivated, career focused and with ambitions to reach chartered engineer status.
- High proficiency in Microsoft office applications including Outlook, Word and Excel.
- Co-operative and flexible approach to work.
